## *M.P. Rathgeber Announces Public Meeting in February*

I would like to invite you to the upcoming Town Hall Meeting in your area to discuss safe streets and safe communities.

The discussion at this meeting will be based on our Government's efforts to crack down on crime and give you the opportunity to voice your concerns. There will be a panel of experts to answer your questions and hear your concerns, including **Inspector Warren Dosko, Office in Charge of the St. Albert RCMP Detachment**; **Dr. Holly Parker, Chair of St. Albert Victim Services**; and a Criminal Defense Lawyer.

**Thursday, February 11th, 2010**  
**St. Albert Seniors Centre, (7 Tache Street, St. Albert)**  
**7:00 pm—9:00 pm**

I look forward to meeting you at this town hall meeting and to hearing your opinions on some very important issues facing our community.

*“Members (of Parliament) will undoubtedly know that individuals who apply under the faint hope clause have been convicted of a crime that carries a sentence of life imprisonment. Typically, we are talking about people who have been convicted of murder and, therefore, their victims, sadly, cannot speak for themselves, but their families can.”*

*“Our government believes that those who commit serious crime must face serious consequences.”*
