“Canadians deserve to feel safe in their own homes and walking in their communities. Those who threaten the security and property of others must be dealt with harshly. There is little room for conditional sentences and house arrest in a victim focused judicial system.”

“Street gangs and organized crime pose a significant threat to the safety of our communities. Our Government will continue to take tough, responsible action against criminal organizations to make our streets safer and more secure.”

Honourable Rob Nicholson, P.C., M.P.
Minister of Justice
